RVM0732

Extreme

Extreme Monitors are the choice for open cab environments facing the most hostile environments. IP69K environmental protection, 10G shock rated, and superior image provides exceptional quality, performance and reliability.

- Dust, and Water Proof; High pressure wash resistant
- Low Temperature Operation
- Quad Screen Capability
- 3-Year Warranty

Rear View

Convoy's Rear View Monitors are a perfect solution where dash space is at a premium. Available in reflective or non-reflective versions, Convoy's RVM monitors provide one of the largest viewing areas for maximum visibility and safety.

- 7" Color Viewing Area
- 2 and 4 Camera Inputs available
- Mirror Mount option
- 1-Year Warranty

M7104

M7104F

Performance

Convoy's Performance Monitors have a unique combination of durability and performance while maintaining the highest levels of quality. This combination provides exceptional value that will excel in a variety of applications.

- 7" and 9" Configurations
- 2 and 4 Camera Inputs available
- Quad Screen (4 channel)
- 7G Shock Rated
- 1-Year Warranty

Wireless

Convoy's wireless monitor combined with our wireless camera provides for an easy installation where running video cables is not practical. The system utilizes a 2.4 GHz frequency and unique algorithm to provide for a secure and reliable connection.

- Premium Image
- 4 Camera Inputs
- Ease of Installation
- 1-Year Warranty
